# PETER WILEMAN: *On Reflection*

A stunning collection of new work, *On Reflection* is the latest solo exhibition from Peter Wileman, a former President and Fellow of the Royal Institute of Oil Painters, Member of the Royal Society of Marine Artists, and Fellow of the Royal Society of Arts.

Crafting his technique for over four decades, Wileman's style is bold and vigorous, both in the use of colour and handling of paint, imbued with mood and atmosphere. Wileman depicts scenes through a mixture of memory and emotional response, producing captivating views of iconic cities such as London, Venice, and New York.

Wileman has won many awards including: The Frank Herring Award (2000), The Cornelissen & Son Award (2003), The Clerc Fowle gold medal (2006), The DAS Prize (2007), The Charles Pears Award and The Stanley Grimm Prize (2010) and The Dartington Crystal Chalice (2012), with his paintings in numerous private collections worldwide.

The accolades, awards and acclaim that Wileman has earned throughout his career prove his merit as one of the country's finest contemporary painters. Thompson's Gallery proudly present this exhibition as a reflection of Wileman's continued mastery of the medium.
